

WHISPER OF YNNEAD

THE REBORN WALK AMONG US

AELDARI • YNNARI • THE REBORN

"Death is not the end. It is the door." — Yvraine, Emissary of the Whispering God. Drawn from Craftworld and Commorragh alike, the Reborn march beneath a banner stitched from the souls of the fallen. Where their dead drop, their strength rises; where their enemies fall, Ynnead drinks deep.

FACTION ABILITY — BATTLE FOCUS

The Reborn pause between heartbeats — long enough to fire mid-stride.

Each time an **Aeldari** unit from your army Advances, until the end of the turn ranged weapons equipped by models in that unit have the [ASSAULT] ability.

DETACHMENT RULE — STRENGTH FROM DEATH

Strength from Death

Each soul severed from its body feeds Ynnead, and the Reborn closest to the fallen drink first.

Each time a unit (friendly or enemy) is destroyed, until the end of that phase, friendly **Ynnari** units within 12" of where the destroyed unit was located have the [LETHAL HITS] ability on their melee weapons. A unit can only benefit from this rule once per phase, regardless of how many units are destroyed near it.

ENHANCEMENTS

Your **Yvraine** model is your Warlord and has the **Mantle of Ynnead** Enhancement. You can replace this with **Soulthirst**.

DEFAULT ENHANCEMENT

Mantle of Ynnead

The bearer wears a robe of unwoven soul-stuff — a gift from the Whispering God, that bleeds protection into the Reborn near her.

While the bearer is on the battlefield, friendly **Ynnari** units within 6" of the bearer have the Feel No Pain 6+ ability. In addition, once per battle, in your Command phase, the bearer regains up to D3+3 lost wounds.

— OR —

OPTIONAL ENHANCEMENT

Soulthirst

The bearer's blade hungers, and each death feeds the next stroke.

Each time the bearer destroys an enemy model with a melee attack, until the end of the phase the bearer's melee weapons have the [DEVASTATING WOUNDS] ability and the bearer gains +1 Attack characteristic.

SECONDARY OBJECTIVES

You will use the **Reap the Souls** secondary objective. You can replace this with **The Crone World Cipher**.

DEFAULT SECONDARY OBJECTIVE

Reap the Souls

Each soul claimed is one more thread woven into Ynnead's tapestry.

At the end of each player's turn, you score **3VP** if a friendly Ynnari unit destroyed one or more enemy units during that turn. You score **5VP** instead if Yvraine destroyed one or more enemy units during that turn.

— O R —

OPTIONAL SECONDARY OBJECTIVE

The Crone World Cipher

The cipher must rest in the hands of one who has spoken with the dead.

At the end of each player's turn, you score **3VP** if a friendly Ynnari **Character** controls the objective marker closest to the centre of the battlefield. You score **5VP** instead if that objective is in your opponent's deployment zone or No-Man's Land.

STRATAGEMS

Soulburst 1 CP

Strength from Death — Strategic Ploy Stratagem
Where one falls, another lunges. The Reborn flow into the spaces left by the dead.

WHEN: End of any phase, just after a unit (friendly or enemy) was destroyed.
TARGET: One friendly **Ynnari** unit within 12" of where the destroyed unit was located, that has not already been selected for this Stratagem this turn.
EFFECT: That unit immediately makes a Normal Move of up to 6". It cannot end this move within Engagement Range of any enemy unit. It can perform this move even if it has already moved this turn.

Whisper of the Yncarne 2 CP

Strength from Death — Strategic Ploy Stratagem
Ynnead speaks, and the soulstream folds. One who walked at the front line stands now at the rear, blade still wet.
WHEN: End of any opponent's phase.
TARGET: One friendly Ynnari **Character** model on the battlefield that is not within Engagement Range of any enemy unit.
EFFECT: Remove the Character from the battlefield. At the start of your next Movement phase, set it back up anywhere wholly within your half of the battlefield, more than 6" horizontally from enemy models. If that Character was attached to a unit, it returns as a separate unit.

Ynnead's Hand 1 CP

Strength from Death — Battle Tactic Stratagem
The Whispering God reaches through bone and blade. Each cut is a prayer; each prayer kills.
WHEN: Your Fight phase, just after a friendly Ynnari unit is selected to fight.
TARGET: That Ynnari unit.
EFFECT: Until the end of the phase, melee attacks made by models in this unit have the [DEVASTATING WOUNDS] ability.

DESIGNER'S NOTE

Whisper of Ynnead uses canonical 10th Edition Aeldari/Ynnari datasheets (Yvraine, The Visarch, Wraithblades, Guardian Defenders) sourced from the BSData wh40k-10e Aeldari Library. The detachment rule, enhancements, secondaries, and stratagems are homebrew, themed around the 7th/8th Edition Ynnari "Strength from Death" mechanic that has not been carried over into 10th Edition. Yvraine's canonical *Word of the Phoenix* Psychic ability (return D3+1 destroyed Bodyguard models on 2+) is preserved on her datasheet and stacks with the detachment, giving the army a strong attrition arc — the Reborn fight, fall, return, and feed on every soul severed along the way.
