

# WILD HUNT

## RIDERS OF THE BLOODY BANNER

AELDARI • ASURYANI • SAIM-HANN

*Saim-Hann sees no honour in patient war — only in the headlong charge. Their warhost rides on antigrav jetbikes, banners snapping crimson against the wind, lance-tips crackling with starlight. The Wild Hunt rides down its prey before the prey even sees it coming.*

### FACTION ABILITY — BATTLE FOCUS

*The Wild Hunt fires while it rides, and never stops moving.*

Each time an **Aeldari** unit from your army Advances, until the end of the turn ranged weapons equipped by models in that unit have the [ASSAULT] ability.

### DETACHMENT RULE — THE WILD HUNT

#### Ride the Whirlwind

**Mounted** and **Vehicle** units from your army get +2" to Advance rolls and can declare a Charge in a turn in which they Advanced. In addition, the first time each turn a friendly Saim-Hann unit makes a Charge move, it adds 1 to the Strength characteristic of melee weapons equipped by models in that unit until the end of the turn.

### ENHANCEMENTS

Your **Autarch Skyrunner** model is your Warlord and has the **Hammer of Vault** Enhancement. You can replace this with **Banshee Helm of Saim-Hann**.

#### DEFAULT ENHANCEMENT

##### Hammer of Vault

*An ancient lance-relic, its tip blazing with starfire on the charge.*

Each time a [LANCE] melee weapon equipped by the bearer or by a model in the bearer's unit makes an attack on a Charge turn, that attack has +1 to the Strength characteristic and +1 Damage.

— O R —

#### OPTIONAL ENHANCEMENT

##### Banshee Helm of Saim-Hann

*The death-cry of a fallen Aspect, woven into the wraithbone of a Wild Rider's helm.*

The first time the bearer is destroyed, before removing it from play it can make a Pile In move and then fight as if it had not yet been chosen to fight this phase.

### SECONDARY OBJECTIVES

You will use the **Outrun the Prey** secondary objective. You can replace this with **Ride Them Down**.

#### DEFAULT SECONDARY OBJECTIVE

##### Outrun the Prey

*The Wild Riders dance through the foe's lines, claiming ground that should have been impossible to seize.*

At the end of each player's turn, you score **3VP** if you control one or more objective markers wholly within your opponent's deployment zone, or **5VP** if you control two or more.

— O R —

OPTIONAL SECONDARY OBJECTIVE

Ride Them Down

*Each successful charge is a fresh trophy for the wild-rider's banner.*

At the end of each turn, you score **2VP** for each enemy unit destroyed during that turn by a friendly Mounted or Vehicle unit on a turn it made a Charge move.

STRATAGEMS

Lightning Strike 1 CP

*The Wild Hunt — Strategic Ploy Stratagem*

*The host vanishes in a burst of antigrav-glare and reappears at the foe's flank, lances already lowered.*

**WHEN:** End of your opponent's turn.

**TARGET:** One Saim-Hann Mounted unit from your army on the battlefield, not within Engagement Range of any enemy units.

**EFFECT:** Remove that unit from the battlefield and place it in Strategic Reserves; in your next Movement phase set it up via Deep Strike (more than 9" from any enemy).

Hit and Run 1 CP

*The Wild Hunt — Strategic Ploy Stratagem*

*The Wild Riders break and circle — they will return when their lances are reset.*

**WHEN:** End of the Fight phase.

**TARGET:** One Saim-Hann Mounted unit from your army that fought this phase.

**EFFECT:** Your unit can immediately make a Fall Back move of up to 6". After it does so, the unit may shoot in your next Shooting phase as if it had not Fallen Back.

Crimson Charge 1 CP

*The Wild Hunt — Battle Tactic Stratagem*

*The Banshee Helm screams the war-cry of the Bloody-Handed God; lances strike with the force of fallen stars.*

**WHEN:** Charge phase, just after a friendly Saim-Hann unit ended a Charge move.

**TARGET:** That Saim-Hann unit.

**EFFECT:** Until the end of the turn, melee weapons equipped by models in your unit have the [LANCE] and [LETHAL HITS] abilities. If they already have [LANCE], they instead gain +1 to the Wound roll.
