Foe Ripper is a relic Dreadnought-pattern claw scaled down for Terminator-pattern use — its mass requires a fully braced stance, hence the lower hit accuracy, but a single strike has been recorded cleaving a Tyranid Carnifex from collar to hip.

ABILITIES

CORE

Leader, Deep Strike.

FACTION

Oath of Moment.

LEADER

This model can be attached to one of the following units: **Terminator Squad**, **Terminator Assault Squad**, **Sternguard Veteran Squad**, **Bladeguard Veteran Squad**.

RITES OF BATTLE (NOVAMARINES) [AURA]

While a friendly **Novamarines** unit is within 6" of this model, each time a model in that unit makes an attack, you can re-roll a Hit roll of **1**.

HARD AS STONE [AURA]

Each time a model in a friendly **Novamarines Infantry** unit within 6" of this model would lose a wound, roll one D6: on a **6**, that wound is not lost.

TELEPORT STRIKE

During deployment, you can set this model up in teleportarium reserves. In the Reinforcements step of one of your Movement phases, set it up anywhere on the battlefield more than 9" horizontally from all enemy models.

BRACE AND STRIKE

In a turn in which this model Remained Stationary, until the end of the turn the Hit modifier penalty for Foe Ripper is ignored (resolved at BS/WS without the -1 penalty).

DESIGNER'S NOTE

Homebrew — 8th Ed source. Mordaci Blaylock is the Captain of the Novamarines 1st Company — a 1st Company Captain who wears Cataphractii Terminator armour. Stats anchor on the 10e Captain in Terminator Armour baseline (M5/T5/Sv2+/4++) with W5 (slightly lower than canonical W6) to reflect the 8e profile and 130 pts. Foe Ripper's S×2/AP-4/D3 with -1 to Hit penalty is preserved; the Brace and Strike ability provides a way to negate the penalty (the model takes a heavy strike if stationary). Hard as Stone preserves the canonical 6+ 'wound ignored' aura from 8e verbatim. **11e codex update (18 Oct 2026):** toughness +1 (Terminator armour T6, bikes T6 like codex Outriders); Astartes bolt weapons S5 AP-1 (pistols [CLOSE-QUARTERS]) and codex-named weapons on the codex profile; points scaled with Captain in Terminator Armour 85→90.
