Stonefist is a relic power fist scaled for one-handed wielding — its weight requires bracing, hence the lower hit accuracy. Each impact crushes armour like the Star Phantoms' homeworld winter freezes flesh.

ABILITIES

Core

Leader, Deep Strike.

Faction

Oath of Moment.

Leader

This model can be attached to one of the following units: **Sternguard Veteran Squad**, **Vanguard Veteran Squad**, **Bladeguard Veteran Squad**, **Tactical Squad**, **Assault Intercessor Squad**.

Rites of Battle (Star Phantoms) [AURA]

While a friendly **Star Phantoms** unit is within 6" of this model, each time a model in that unit makes an attack, you can re-roll a Hit roll of **1**.

Death's Vanguard [AURA]

While a friendly **Star Phantoms** unit is within 6" of this model, that unit ignores any modifiers to its Move characteristic (including penalties from Advance or Difficult terrain).

Phantom Strike

Once per battle, in your Shooting phase or Fight phase, you may declare a Phantom Strike. Until the end of the phase, attacks made by this model gain the [LETHAL HITS] ability. Cannot combine with the Combi-melta's One-Shot mode this phase.

Designer's Note

Homebrew — 8th Ed source. Zhrukhal Androcles is the Captain of the Star Phantoms 2nd Company — a black-and-bone-skull Chapter known for psychological warfare and deep-strike raid doctrine. Stats anchor on the 10e Captain baseline (T4/W5/Sv2+/4++). Stonefist preserves the 8e profile (S×2/AP-3/D3 with -1 to Hit penalty) as S8/AP-3/D3 with Anti-Vehicle 4+ (the -1 Hit penalty is absorbed into the WS3+ stat — equivalent expected hits). Death's Vanguard is new homebrew flavor — captures the Star Phantoms' canonical raid-deep-strike doctrine. Phantom Strike is a once-per-battle Lethal Hits burst. This is the **final card of the 23-character SM FW project** — completed 2026-05-17. **11e codex update (18 Oct 2026):** power armour T5 like the codex Intercessors and the Chaos Legionaries; Astartes bolt weapons S5 AP-1 (pistols [CLOSE-QUARTERS]) and codex-named weapons on the codex profile; points scaled with Captain 80→90.
