The Blade of the Scorpion is a relic power blade granted only to senior Red Scorpions Captains who have personally slain a Greater Daemon or Tyranid Hive Beast. Its monomolecular edge doubles in strength against living machines and titanic creatures.

ABILITIES

Core

Leader, Deep Strike.

Faction

Oath of Moment.

Leader

This model can be attached to one of the following units: **Sternguard Veteran Squad**, **Bladeguard Veteran Squad**, **Terminator Squad**, **Vanguard Veteran Squad**, **Tactical Squad**.

Chapter Master (Red Scorpions) [AURA]

While a friendly **Red Scorpions** unit is within 6" of this model, each time a model in that unit makes an attack, you can **re-roll the Hit roll**.

Purity of Aspect, Action and Intent

If this model destroys one or more enemy models in the Fight phase, until the end of the phase one friendly **Red Scorpions Infantry** unit within 6" of this model gains **+1 to the Attacks characteristic** for each of its melee weapons.

Honour-Bound

While this model is your Warlord, if this model is destroyed, each remaining friendly **Red Scorpions Infantry** unit gains **+1 to Hit** on all attacks until the end of the battle (vengeance for the Captain).

Designer's Note

Homebrew — 8th Ed source. Casan Sabius is a senior Red Scorpions Captain — frequently assigned as Carab Culln's personal lieutenant during the Badab War and Tyranid xenocides. Memory tag listed him as 'Carab Culln retinue char' but BSData has him as a full Chapter Master / re-roll-all-Hit-rolls aura unit at 175 pts. Stats anchor on 10e Chapter Master baseline (T4/W6/Sv2+/4++); pts adjusted to 145 to reflect Captain-tier role despite Chapter Master aura. Blade of the Scorpion preserves the canonical Anti-Monster/Vehicle S×2 mechanic via Anti-X 4+ keywords. Purity of Aspect is

preserved verbatim as a kill-trigger buff. Honour-Bound is new flavor — captures the Red Scorpions' theme of duty-driven vengeance. 11e codex update (18 Oct 2026): power armour T5 like the codex Intercessors and the Chaos Legionaries; Astartes bolt weapons S5 AP-1 (pistols [CLOSE-QUARTERS]) and codex-named weapons on the codex profile; points scaled with Captain 80→90.
