Designer's Note

Homebrew — 8th Ed source. Gabriel Angelos is the most iconic post-Heresy Chapter Master in the Blood Ravens — the hero of three Dawn of War campaigns and the Kronus Crusade. Stats anchor on the 10e Chapter Master baseline (T4/W6/Sv2+/4++). The God-splitter dual-profile (Sweeping Blows vs Mighty Strikes) preserves his canonical 8e signature weapon — a daemonhammer that switches between wide swings and focused single blows. Leap into the Fray captures his theatrical, frontline charge style. The double-aura (Re-roll Hits + Battle-shock auto-pass) is the 8e Chapter Master + Rites of War combo — kept as separate auras for tactical flexibility. **11e codex update (18 Oct 2026):** toughness +1 (Terminator armour T6, bikes T6 like codex Outriders); Astartes bolt weapons S5 AP-1 (pistols [CLOSE-QUARTERS]) and codex-named weapons on the codex profile; points scaled with Captain in Terminator Armour 85→90.
