MELEE WEAPONS

WEAPON	RANGE	A	WS	S	AP	D	KEYWORDS
The Magister's Axe	Melee	5	3+	6	-2	3	Psychic, Anti-Psyker 2+

The Magister's Axe is a force weapon forged in the same furnace as Lord Carab Culln's Spear of Selket. It bites deep into the very souls of warp-creatures, and is anathema to the Witch.

ABILITIES

Core

Leader, Psyker, Deep Strike.

Faction

Oath of Moment.

Leader

This model can be attached to one of the following units: **Tactical Squad**, **Intercessor Squad**, **Hellblaster Squad**, **Sternguard Veterans**.

Chief Librarian

Each time this model uses a Psychic ability (including Smite), you can re-roll the Hit roll, the Wound roll, or the Damage roll. While this model is on the battlefield, the Magister's Axe is treated as a Psychic weapon and gains the [DEVASTATING WOUNDS] ability when targeting a Psyker unit.

Bane of the Damned [AURA]

In your Command phase, select one friendly **Adeptus Astartes** unit within 6" of this model. Until the start of your next Command phase, that unit can re-roll Wound rolls when its weapons target a **Psyker** unit. Sevrin Loth wages war against the Witch above all other foes.

Psychic Hood

Each time an enemy **Psyker** attempts a Psychic ability within 18" of this model, on a roll of 4+ that ability fails. (Equivalent to canonical 10e Psychic Hood / Witch Sense ability.)

Designer's Note

Homebrew — 8th/9th Ed Forge World source. Magister Sevrin Loth is the Chief Librarian of the Red Scorpions Chapter and one of the Imperium's most potent battle-psykers. The 8th/9th Ed Imperial Armour Compendium datasheet was

BS3+/WS3+/S4/T4/W5/A3/Ld9/Sv3+/4++ with the Magister's Axe (S+2 AP-2 D3, +1 MW vs Psykers) and full Librarius psychic powers. This 10e homebrew preserves: 4++ Armour of Selket invulnerable save, the Magister's Axe (now Anti-Psyker 2+, Devastating Wounds vs Psykers via Chief Librarian), Bane of the Damned Command-phase aura targeting Psykers, full Psychic Hood. Use as a Red Scorpions or successor-chapter Chief Librarian. **11e codex update (18 Oct 2026):** power armour T5 like the codex Intercessors and the Chaos Legionaries; Astartes bolt weapons S5 AP-1 (pistols [CLOSE-QUARTERS]) and codex-named weapons on the codex profile; points scaled with Librarian 70→75.
