

# BRAN REDMAW

**WOLF LORD, CURSE-BEARER OF THE REDMAW**

ADEPTUS ASTARTES • SPACE WOLVES • IMPERIUM

*Bran Redmaw is the Wolf Lord who cannot suppress the Curse: in battle, he transforms mid-fight from a Wolf Lord into a Wulfen-Shape beast and tears the enemy line apart.*

## FORM 1 — WOLF LORD (STARTING FORM)

| M  | T | SV | W | LD | OC |
|----|---|----|---|----|----|
| 6" | 4 | 3+ | 6 | 5+ | 1  |

*Invulnerable Save (Iron Halo of Russ, Wolf Lord form only): 4+*

## FORM 2 — WULFEN-SHAPE (POST-TRANSFORMATION)

| M  | T | SV | W | LD | OC |
|----|---|----|---|----|----|
| 8" | 5 | 4+ | 6 | 5+ | 1  |

*No invulnerable save in Wulfen-Shape — Bran's armour ruptures and the Iron Halo's circuits short. He gains a 5+ Feel No Pain instead (regenerative beast-physiology).*

## ABILITIES

### Paired frost claws

[TWIN-LINKED]

### Beast-form rending claws

[DEVASTATING WOUNDS]

### Core

[LEADER] (Wolf Lord form only — may join a unit of Grey Hunters, Blood Claws, Skyclaws, Long Fangs, Wolf Guard, or Wolf Guard Terminators. While in Wulfen-Shape, he immediately leaves any unit he was attached to.)

### Curse of the Wulfen

At the start of any of your Movement phases from battle round 2 onward, OR immediately after this unit successfully completes a Charge move, you can declare that Bran Redmaw transforms. Replace his profile with the Wulfen-Shape statline and weapon. The transformation is one-way — he cannot revert. If he ends his Charge move in Wulfen-Shape, he gains +1 Attack on his Beast-form rending claws that Fight phase. Bran must attempt to transform (rolling a D6: on a 4+, he transforms) at the start of any Movement phase in which he is below his starting Wounds.

### Saga of the Wolfkin (Wulfen-Shape only)

Once per battle, at the start of the Fight phase while in Wulfen-Shape, Bran can Fight Twice: after his attacks resolve, he can be selected to fight again before any other model.

### Sire of Redmaw [AURA]

While in Wolf Lord form: friendly Adeptus Astartes — Space Wolves units within 6" can re-roll Battle-shock tests, and re-roll Hit rolls of 1 in melee. The aura is lost when Bran enters Wulfen-Shape.

## UNIT COMPOSITION

1 Bran Redmaw model. In Wolf Lord form, this model is equipped with: 1 bolt pistol; 1 pair of paired frost claws.

**Keywords:** INFANTRY, CHARACTER, EPIC HERO, WOLF LORD, WULFEN (while in Wulfen-Shape), BRAN REDMAW

**Faction Keywords:** IMPERIUM, ADEPTUS ASTARTES, SPACE WOLVES

**Designer's Note.** Sourced from Imperial Armour 13: War Machines of the Lost and the Damned (Forge World Space Wolves). The two-form datasheet preserves his identity faithfully: he starts as a competent canonical Wolf Lord, and at any chosen moment from turn 2 onward (or after a successful charge) he transforms permanently into the Wulfen-Shape (faster, tougher, bigger rending claws with Devastating Wounds, can Fight Twice once per battle). The Curse is also compulsory below starting Wounds — he cannot be kept in human form forever once he is bleeding. Pairs with the Svangir & Ulfgir homebrew datacard (the Hounds of Redmaw refuse to leave his side).

**11th-edition verification, 2026-08-31:** checked current 11e BSData directly — no match for "Redmaw" anywhere; still genuinely unsupported. No stat corrections possible; kept as-is from the prior 10e conversion pass.
