Designer's Note. Sergeant Daenen Bastonne was the Cadian 8th's veteran sergeant character across 4th-7th Ed Codex Imperial Guard/Astra Militarum, often paired with Lord Castellan Creed and Colour Sergeant Kell as the iconic Cadian command tableau. His identity was three-fold: "Honour of the Cadian 8th" (the squad he leads gets re-rolls to hit), better stats than a stock sergeant, and a defensive "Cadian Steel" feel. This conversion expresses all three. Pair with Colour Sergeant Kell and Lord Castellan Ursula Creed for the full Cadian 8th command trio.

11th-edition verification, 2026-08-31: checked current 11e BSData directly — no match for "Bastonne" anywhere; still genuinely unsupported. No stat corrections possible; kept as-is from the prior 10e conversion pass.
