COMBAT PATROL

WRAITHHOST

AELDARI (IYANDEN) | WARHAMMER 40,000 | 11TH EDITION

Iyanden lost more of its living children than any other craftworld — and so it fights with its dead. A Spiritseer walks at the head of a host of wraithbone constructs, each one home to the bound soul of a warrior who died so the craftworld might live a little longer. Wraithguard, Wraithblades, and a towering Wraithlord advance in grim, unbreakable lockstep, deaf to fear because they no longer have anything left to fear losing. This is a homebrew Aeldari Combat Patrol for the Iyanden craftworld, built entirely around Wraith Constructs, adapted to the 11th-edition Combat Patrol framework. Formatted to match the No Figure Left Behind Combat Patrol archive.
