COMBAT PATROL

DEPRAVED COTERIE

EMPEROR'S CHILDREN | WARHAMMER 40,000 | 11TH EDITION

Eager to sample the myriad sensations of battle, these dilettante bands of Slaaneshi killers whirl from one fight to the next like the arms of some bladed carousel. Time and again, they leave bloodied foes reeling, rushing gleefully from combat to combat without discipline or restraint, wearing down their disoriented victims in the process.
