COMBAT PATROL — HORUS HERESY (30K)

NO GROUND GIVEN

IRON WARRIORS (HH, TRAITOR) | WARHAMMER 40,000 | 11TH EDITION

A Warsmith holds the line while a Dominator Cohort waits for anything armoured enough to be worth their melta lances, an Iron Havocs team dug in behind them, a lone Domitar-ferrum standing sentinel, and an Inductii levy thrown forward to soak up whatever comes first. No Ground Given is a fully homebrew Combat Patrol for the Iron Warriors (IV Legion) faction — a Horus Heresy-era Traitor Legion warband adapted to the Warhammer 40,000 11th-edition Combat Patrol framework, built entirely from the real HH3e Iron Warriors roster (Warsmith, Dominator Cohort, Iron Havocs, Inductii Squad, Iron Circle Maniple). Formatted to match the No Figure Left Behind Combat Patrol archive. Approx. 610pts at minimum squad size — Perturabo and The Tormentor are deliberately excluded, both Primarch- and Lord of War-tier costs alone exceed this box's budget. **11e Space Marine codex update (18 Oct 2026):** datasheets brought in line with their updated standalone cards (power armour T5, Terminators T6, Astartes bolt weapons S5 AP-1 with [CLOSE-QUARTERS] pistols, codex weapon profiles). Current card points: Warsmith 140, Dominator Cohort 155 / 295, Iron Havocs 120 / 275, Iron Circle Maniple 100 / 600, Inductii Squad 95 / 180.

ARMY RULE

DEFENSE IN DEPTH
Each time a friendly Iron Warriors unit is targeted by a ranged attack while that unit is within your own deployment zone, subtract 1 from that attack's Hit roll.

DETACHMENT RULE

IRON WARRIORS — BITTER FURY
Detachment Points: To use this detachment you must spend 1 DP.

Every gun in an Iron Warriors company keeps firing for exactly as long as there is a hand left to hold it. Once per battle, after a friendly Iron Warriors unit (excluding Vehicles) is selected as the target of a ranged attack and that attack has been resolved, that unit can shoot as if it were your Shooting phase, using its characteristics as they were before that attack was resolved (including any models destroyed by it). Ranged weapons used this way have the [SUSTAINED HITS 1] ability.

FORCE DISPOSITIONS
This detachment has access to the following Force Disposition: Take and Hold.

- **1 Dominator Cohort** (5 models)
