COMBAT PATROL

RAMPART FORCE TORREUS

ADEPTUS ASTARTES | WARHAMMER 40,000 | 11TH EDITION

Captain Torreus leads his Company Heroes in an unyielding defence, Heavy Intercessors and Intercessors holding every yard of ground, and a Terminator Squad ready to teleport in and crush any breach. **11e Space Marine codex update (18 Oct 2026):** datasheets re-synced to the 11e Space Marine codex in BSData (toughness, weapon profiles and keywords).

This is a fan conversion, not an official Games Workshop product. Rampart Force Torreus was originally released as an official GW Combat Patrol datasheet PDF in the older pre-Detachment-Points format (a single Warlord Enhancement choice, no Force Dispositions); this reference adapts it to the 11th-edition Combat Patrol framework (Detachment Points, a new Detachment Rule, Force Dispositions, and two unit-targeted Enhancements), following the conventions observed across GW's own official 11th-edition Combat Patrol conversions. Formatted to match the No Figure Left Behind Combat Patrol archive.

ARMY RULE

OATH OF MOMENT

If your Army Faction is Adeptus Astartes, at the start of your Command phase, select one unit from your opponent's army. Until the start of your next Command phase, that enemy unit is your Oath of Moment target. Each time a model with this ability makes an attack that targets your Oath of Moment target:

• You can re-roll the Hit roll.

• If you are using a Codex: Space Marines Detachment and your army does not include one or more units with the Black Templars, Blood Angels, Dark Angels, Deathwatch or Space Wolves keywords, add 1 to the Wound roll as well.

DETACHMENT RULE

RAMPART FORCE TORREUS

Detachment Points: To use this detachment you must spend 1 DP.

STALWART BASTION

Each time a friendly Rampart Force Torreus unit that has the Benefit of Cover is selected as the target of an attack, worsen the Armour Penetration characteristic of that attack by 1.

FORCE DISPOSITIONS

This detachment has access to the following Force Disposition: Take and Hold.
