Annihilator Protocols

Melee weapons equipped by models in this unit have the [SUSTAINED HITS 2] ability when targeting Monster, Vehicle or Fortification units

Centurion Assault Launchers

The bearer has the Grenades keyword.

Designer's Note — NFLB-L

NFLB-L (rebalanced Legends): GW's Centurion Assault Squad [Legends] datasheet brought in step with the 11e Space Marine codex (18 Oct 2026). Changed: Centurion Bolters: 24"/3/3+/4/0/1/Rapid Fire 3, Twin-linked → 24"/3/3+/5/-1/1/Rapid Fire 3, Twin-linked. Every other rule is GW's own; points follow GW's Legends points. In New Recruit it replaces the official Legends entry.
