

COMBAT PATROL GUARDIANS OF THE THRONE

ADEPTUS CUSTODES (TALONS OF THE EMPEROR) |
WARHAMMER 40,000 | 11TH EDITION

Shield-Captain Tyvan commands a Talons of the Emperor strike force — Custodian warriors or Vertus Praetor jetbike riders striking alongside Sisters of Silence Prosecutors and Vigilators. When they fight as one, the two sub-factions of the Talons are a peerless combination of martial might and psychic suppression. Roster choice: this Combat Patrol includes either a Custodian Guard unit or a Vertus Praetors unit — before the battle, in the Select Combat Patrol and Enhancements step, you must select which of these two units to include for that battle. This reference adapts the original 10th-edition Combat Patrol: Guardians of the Throne box to the 11th-edition Combat Patrol framework, formatted to match the No Figure Left Behind Combat Patrol archive.

ARMY RULE

MARTIAL KA'TAH

Each time a unit from your army with this ability is selected to fight, select one of the Ka'tah Stances below. Until that unit has finished making its attacks, the selected Stance is active for it and it gains the relevant ability:

Melee weapons equipped by models in this unit have the [SUSTAINED HITS 1] ability.

Rendax Stance

Melee weapons equipped by models in this unit have the [LETHAL HITS] ability.

DETACHMENT RULE

GUARDIANS OF THE THRONE

Detachment Points: To use this detachment you must spend 1 DP.

FIGHT AS ONE

Each time a friendly Guardians of the Throne unit ends a Charge move, if it is within 6" of another friendly Guardians of the Throne unit that has a different one of the Adeptus Custodes or Anathema Psykana keywords to it, melee weapons equipped by models in your unit have the [SUSTAINED HITS 1] ability until the end of the turn.
