Brightsword wields a fusion blade in each hand — paired short-blades that vent atomic fire on impact. He is the only known T'au to have mastered dual-blade combat against Astartes opponents.

Designer's Note. Brightsword's signature is paired fusion blades, distinct by their twin-linked melta profile. The Sword-Saint Surge captures his canonical "kauyon-like" charge mechanic. Strike of the Twin Suns is once-per-battle to balance the burst damage spike vs. heavy targets. **11th-edition verification, 2026-08-30:** checked current 11e BSData directly — no match for "Brightsword" anywhere, consistent with "The Eight (Farsight Enclaves)" being confirmed as genuinely unsupported content during this project's Excel fully-gone triage. No stat corrections possible; kept as-is from the prior 10e conversion pass. 11th-edition rules pass, 2026-10-10:
