HOMEBREW — 9TH ED SOURCE

COMMANDER OB'LOTAI 9-0

140 POINTS

THE GHOST-PILOT

T'AU EMPIRE • FARSIGHT ENCLAVES • THE EIGHT

Ob'lotai 9-0 is unique among T'au Battlesuit commanders: the original Ob'lotai died in battle, and his consciousness was preserved as an AI matrix that now pilots his Crisis suit. He neither sleeps nor speaks — only fights.

Faction — For The Greater Good
See Army Rule.

AI-Driven
This model cannot be your Warlord. This model automatically passes Battle-shock tests, never Falls Back, and ignores all modifiers to its Leadership and Hit rolls. (This model does not have the Leader ability.)

Static Gun Platform
If this model Remained Stationary in your previous Movement phase, until the start of your next turn, each time this model makes a ranged attack, add 1 to the Hit roll.

Ghost in the Machine
Each time this model would be destroyed, roll one D6: on a 5+, instead of being destroyed, set its remaining Wounds to 1. This ability triggers only once per battle.

Sentinel Protocol [AURA]
While a friendly The Eight model is within 9" of this model, each time that model makes a ranged attack, you can re-roll a Hit roll of 1.

Twin Heavy Burst Cannon
[SUSTAINED HITS 1] [TWIN-LINKED] [HEAVY]

Twin Plasma Rifle
[RAPID FIRE 1] [TWIN-LINKED]

UNIT COMPOSITION

> **Designer's Note.** Ob'lotai is the firebase — 12 attacks at 36" with Sustained Hits plus Twin-linked is the heaviest ranged output of any Commander in the Eight. AI-Driven removes him from the Leader/Warlord meta (no characterful failure: he literally cannot rally a unit — he's a dead man's ghost in a war machine). Ghost in the

Machine and the Sentinel aura make him a board-anchoring "static fortress" archetype. **11th-edition verification, 2026-08-30:** checked current 11e BSData directly — no match for "Ob'lotai" anywhere, consistent with "The Eight (Farsight Enclaves)" being confirmed as genuinely unsupported content during this project's Excel fully-gone triage. No stat corrections possible; kept as-is from the prior 10e conversion pass. 11th-edition rules pass, 2026-10-10: regenerated from the NewRecruit NFLB catalogue so this card matches New Recruit exactly — official 11e weapon and wargear profiles wherever an official equivalent exists, 11e Orders and wording.
