COMMANDER TORCHSTAR

115 POINTS

THE PYROMANIAC

T'AU EMPIRE • FARSIGHT ENCLAVES • THE EIGHT

Torchstar's incinerator-pattern flamers project a stream of superheated promethium-plasma mix — a weapon notably devastating against light infantry. She is the only female commander among The Eight, and the most reckless.

Designer's Note. Torchstar is the lone wolf of the Eight — she frequently deploys ahead of the formation. Twin flamer with Torrent + Twin-linked + Ignores Cover gives her the strongest anti-horde profile of any Commander; Lone Operative + Reckless Advance lets her play forward. Burning Vengeance escalates the damage as the unit takes losses, capturing her canonical "finish what she started" personality. **11th-edition verification, 2026-08-30:** checked current 11e BSData directly — no match for "Torchstar" anywhere, consistent with "The Eight (Farsight

> Enclaves)" being confirmed as genuinely unsupported content during this project's Excel fully-gone triage. No stat corrections possible; kept as-is from the prior 10e conversion pass. 11th-edition rules pass, 2026-10-10: regenerated from the NewRecruit NFLB catalogue so this card matches New Recruit exactly — official 11e weapon and wargear profiles wherever an official equivalent exists, 11e Orders and wording.
