ABILITIES

CORE: Lone Operative, Scouts 6", Stealth, Infiltrators

Faction — For The Greater Good
See Army Rule.

Tracker's Mark
At the start of the first battle round, after deployment, select one enemy unit. For the rest of the battle, Dahyak Grekh re-rolls Hit rolls and Wound rolls against that unit. If the marked unit is destroyed, at the start of your next Command phase select a new target.

Hunter of Pheromones
Each time an enemy unit ends a Normal, Advance or Fall Back move within 12" of this model, until the start of your next turn, that enemy unit cannot have the Benefit of Cover or the Stealth ability against attacks made by this model.

Survivor of the Precipice
Each time an attack is allocated to this model, on an unmodified Save roll of 5+ that attack is treated as having Damage 0. Usable any number of times per battle.

Voidsteed (once per battle)
Once per battle, at the start of your Movement phase, if Dahyak Grekh is more than 9" from any enemy model, you can remove him from the battlefield and immediately set him up again anywhere on the battlefield that is more than 9" from any enemy model. This counts as having made a Normal move.

> **Designer's Note.** Dahyak Grekh is the only canonical Kroot character of his archetype from Warhammer Quest: Blackstone Fortress (2018), and an unmistakable distinct miniature. This homebrew preserves him as a Lone Operative character optimized for the role he plays on the tabletop — long-range Precision shots, mark-and-track a priority target, mark-cover-stripping aura against any unit that moves near him, and a once-per-battle re-

deployment ("Voidsteed"). Anchored on canonical Kroot Carnivore stats with character buffs. **11th-edition verification, 2026-08-30:** checked current 11e BSData directly — no match for "Grekh" anywhere; still genuinely unsupported. No stat corrections possible; kept as-is from the prior 10e conversion pass. 11th-edition rules pass, 2026-10-10: regenerated from the NewRecruit NFLB catalogue so this card matches New Recruit exactly — official 11e weapon and wargear profiles wherever an official equivalent exists, 11e Orders and wording.
